

## McKenzie County – Watford City, North Dakota

### ALL DOCUMENTS 1905 THROUGH THE PRESENT ARE AVAILABLE ON THE NDRIN WEBSITE!!!!

To access the Book/Page documents from 1905 (Document #1) to 1982 (Document #242410) you must use a **5 space system of letter/number for book/pages**. **If you know the document number you can use that**. For example, to view Book 1 of Deeds, you must enter **de001** and then the page number; for Book 1 of Mortgages you must enter **mt001** and then the page number; for Book 1 of Miscellaneous you must enter **mi001** and then the page number and so on. Patents you must enter **pa001** followed by the page number and Receivers Receipts you must enter **re001** followed by the page number. Also, when searching book/page documents using their document number, make sure it is a 6 digit number: Document number 1 would be **000001**, Document number 55678 would be **055678** etc.

Images and Grantor/Grantee information may be accessed beginning August 10, 1989 with Document **#298800 thru #332511**. Some indexing has been entered on these documents but it is not complete at this time. Therefore, a search by township/range/section is not available on these documents.

McKenzie County has complete Images/Index data beginning May 1, 1998 with Document **#332512** to the present available on the NDRIN website and a search by township/range/section may be done from this document number forward to the present.

### **Farm Units are not searchable on NDRIN without the index information from the County.**

Index may be obtained from the county for \$1.00 per page. You can then search the Farm Units by Book/Page or Document #.

Please contact our office for copies of index information which will lead you to the book/page images.

Index information may be obtained by calling our office at 701-444-3616 ext.1417

### **Corner Record Information**

All Corner Records are on the NDRIN website.

You may search by Township and Range on the main NDRIN search page.

You can scroll through the documents and any 8 digit number beginning with **1100** will be a corner record.

For example number 1 would be 11000001, 4913 would be 11004913.

If you need a copy of the corner index for a particular township and range, please call our office and a copy can be sent or e-mailed for a charge of \$3.00 for the first page and \$1.00 for each additional page requested in the same e-mail or other form of request.

### **Government Lots**

Government Lots in McKenzie County are indexed by  $\frac{1}{4}$   $\frac{1}{4}$  with the Lot number in the comment area.

### **Irregular Tracts**

Irregular tracts are searchable by section, township, and range and indexed to the quarter/quarter.
